

COMPANY PROFILE

LEADING AV & IT DISTRIBUTOR IN INDIA

ABOUT US

Green Sources Pvt. Ltd. is a value-added distributor in AV & IT products, with offices across India. Established in 2009, we have gathered adequate experience to ascertain the best quality products for your business. Today, we are known to offer the most sought after AV & IT products to our esteemed partners.

Rated SME 1 by CRISIL (Highest level of Creditworthiness), we are known for our dependability, combined with financial safety & security for all our stakeholders. We Bring You Globally Recognized AV Brands. We distribute products by internationally acclaimed brands like Legrand AV (Chief, Dalite, Vaddio, C2G, Luxul, Middle Atlantic), Lindy, tvONE, Green Hippo, Q-SYS, Icron, Unilumin, Yamaha, Boom, iConnect & Lifesize. This has made us a preferred name across industry verticals for professional AV solutions. Be it corporate, large venues, education, healthcare, media & entertainment or any other industry, our products can help all. We assist our partners in creating the most conducive environments within which they can work efficiently.

Enjoy a more productive way to communicate with your audience by choosing Green Sources!

Lindy Electronics (Germany), established in 1932, is a leading provider of connectivity solutions, including cables, adapters, networking devices & audio-visual products.
